DDI 2962-82

9 April 1982

MEMORANDUM FOR: Director of Central Intelligence  
Deputy Director of Central Intelligence

FROM: R. E. Hineman  
Acting Deputy Director for Intelligence

SUBJECT: DDI Activity Report, 5 - 9 April

**DCI/DDCI-Assigned Tasks**

ALA has undertaken principal drafting of an Intercommunity Intelligence Assessment on the Frontline States.

ALA and EURA have finished drafting a fast-track SNIE on the Falkland Islands crisis. It is out for Community review.

NESA and ALA began drafting sections for DCI-requested paper on strategically-situated Third World countries.

At the request of the DCI, OGI prepared an unclassified assessment of North Sea Gas for Under Secretary of State, James Buckley. An earlier classified version received praise from Embassy Oslo.

OSWR forwarded to the DDCI the unclassified report, "Soviet Acquisition of Western Technology."

**Of Special Interest This Week**

EURA and ALA were heavily involved in monitoring the Falkland Islands crisis, manning the task force, preparing finished intelligence and briefing numerous officials including Ambassador Jeane Kirkpatrick. OGI supported the task force with analytical, historical, and geographical information.

25X1

OGI briefed Department of Commerce Secretary Baldrige on CIA crop forecasting methods, including the use of LANDSAT imagery. Secretary Baldrige chairs the Cabinet Council of Commerce and Trade which is now considering the future of the LANDSAT program.

OGI sent a preliminary DDI response to PFIAB regarding Libyan hit squads and the Dozier kidnapping.
